

SPIRIT LAKE CHAMBER OF COMMERCE
GENERAL MEETING
OCTOBER 24, 2016

President Marc Kroetch brought the meeting to order at 8:02 A. M. at Brickel Creek Coffee Shop on Maine Street in Spirit Lake. Introductions were made.

Marc gave a financial report and the minutes were read and approved.

Marc reported that Evielynn had resigned. Marc passed information on the job description of Events Coordinator and Communications assistant to the members. Marc would like to have this taken care of within the next forty five days from this meeting.

The Selkirk Loop brochure shows the route from the northern most tip of the loop in Canada to the southern most tip of Idaho ending with Bay View and Spirit Lake. It would be a very interesting trip to take for a vacation.

It was voted to get rid of the \$80.00 membership to join the Chamber. This coming year, 2017, will be a printed directory instead of being only on the Web Page. This will provide additional printed advertising to support our existing social media formats. Changes to come.

Our next Chamber events will be the chili cook off and the Lighted Christmas Parade.

Meeting adjourned at 9:00 A. M.

Respectfully Submitted, **Mrs. C. Secretary.**
